

## Design Manager

---

Due to continued growth in workload, **Ogilvie Construction** now have a great opportunity for a **Design Manager** to join their Construction Team in their busy **Head Office** in **Stirling** to work post contract on projects up to £30m.

You will be responsible for driving and finalising key aspects of design, assessing buildability, value engineering, liaising with the architects, structural engineers, other consultants and the site production team to ensure the smooth flow of detailed information throughout project lifecycles.

---

### Role:

Reporting to the Construction Director

- Reviewing all drawings and specifications from an early stage in projects right through the construction stage and commenting on any construction detailing issues / errors
- Reviewing, co-ordination and control of the design flow on Conject our document control system as well as on allocated projects
- Attend design team meetings where required and contribute to design related issues
- Review all design related information from novated design consultants and specialist sub-contractors on CDP elements

### Knowledge & Experience:

- You should be able to review designs to check that all necessary statutory and regulatory requirements are being met.
- Be able to review specification and design information as required to ensure the employers requirements are being met / achieved
- Be commercially aware with regards to construction detailing and specifications.
- You will be confident at key client meetings and presentations, design meetings and progress meetings, and demonstrate excellent communication skills
- You will be highly motivated, well organised, plus computer literate with excellent technical construction knowledge.
- Full working knowledge of autocad is required and an understanding of Revit would be desirable
- High standards, attention to detail and the drive to work as a key member of the team to deliver the job on time, spec and budget.

This is a **full-time** position and the hours of work are **8 am to 5 pm**. An attractive salary is offered which will be commensurate with experience. Additional benefits include fully expensed company car, profit share, generous holidays and holiday purchase scheme and contributory group personal pension scheme and life assurance. The position is based at our Head Office in Stirling but may require some periods of site base according to operational needs.

---

**All interested candidates should submit their CV, along with details outlining their suitability for the position and current remuneration to Pauline Mercer, Group HR Co-ordinator: [recruitment@ogilvie.co.uk](mailto:recruitment@ogilvie.co.uk)**
